a broadvoice Company

Facebook

**The world's largest social network is at GoContact.
You can receive and send messages, monitor comments
or keywords and see what everyone is saying about your
company.**

Don't miss what happens. By directly integrating Facebook and GoContact you will never have to wait until next day to see the news.

With our powerful search, indexing, suggestion, automatic reply tools, among others, you will master this dynamic social network therefore ensuring all clients contacting your company are provided with useful replies in real time!
